

**There is Always
Room at Our Table**

We are grateful for a wonderful time together at our meetings in 2017 and are looking forward to more times of fellowship, study, and serving. We will take a short winter break and be back together for meeting beginning Wednesday, March 7 at 2:00 pm in the Committee Room.

One of our highlights during the season of Christmas and giving was that we were able to give a large supply of feminine hygiene products to HOPE Center for Women. That may seem like a strange gift but for us it is always special, and we hope is helpful.

All are welcome to be a part of our very special group at Woodland.
Happy New Year!!!
